

Community Champion

The role at a glance...

Q What is a Community Champion?

A Community Champion helps connect carers with Carers Wales and promote awareness of caring by distributing publicity material – such as leaflets and posters within local communities.

Q What will you get out of it?

It's a great opportunity to meet new people, spread the word and have the satisfaction of making a real difference to carers' lives in the area where you live. You'll be part of our flagship volunteering programme and we'll be supporting you all the way.

Q What's involved?

- You'll connect with libraries, pharmacies, GPs, sports clubs and shops asking them to display posters and leaflets.
- You may host information stands at supermarkets, hospitals, community hubs, faith meetings - anywhere you feel will reach unpaid carers to discuss caring and tell them what Carers Wales has to offer.
- We'd also want you to keep us informed about what you've been up to, feedback to us and let us know where you've been distributing materials.
- You'll identify places in the community supporting people with long term conditions and supply them with our materials.
- We'll give you more tips on how to get started in your volunteering pack.
- The choice on how you get involved is up to you!

The skills you'll bring...

- a friendly personality
- great communication skills
- the ability to get on well with people from all backgrounds
- a passion for improving support for carers
- good organisational skills and access to a computer
- the confidence to use your own initiative.
